The Buyers shall not assign any of their rights under the Contract without prior written consent of the Sellers.

23. Partial Validity

If any provision of the Contract is or becomes or is held to be illegal, invalid or unenforceable in any respect under any law or jurisdiction, the provision shall be deemed to be amended to the extent necessary to avoid such illegality, invalidity or unenforceability, or, if such amendment is not possible, the provision shall be deemed to be deleted from the Contract to the extent of such illegality, invalidity or unenforceability, and the remaining provisions shall continue in full force and effect and shall not in any way be affected or impaired thereby.

24. Dispute Resolution Clause

(a) The Contract shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with the Contract shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced. The reference shall be to three arbitrators. A Party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other Party requiring the other Party to appoint its own arbitrator within fourteen (14) calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other Party appoints its own arbitrator and gives notice that it has done so within the fourteen (14) days specified. If the other Party does not appoint its own arbitrator and give notice that it has done so within the fourteen (14) days specified, the Party referring a dispute to arbitration may, without the requirement of any further prior notice to the other Party, appoint its arbitrator as sole arbitrator and shall advise the other Party accordingly. The award of the sole arbitrator shall be binding on both Parties as if the arbitrator had been appointed by agreement.

Nothing herein shall prevent the Parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$ 100,000 (or such other sum as the Parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

In cases where the claim or any counterclaim exceeds the sum agreed for the LMAA Small Claims Procedure and neither the claim nor any counterclaim exceeds the sum of US\$ 400,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Intermediate Claims Procedure current at the time when the arbitration proceedings are commenced.

25. Notices

Any Party giving notice under the Contract shall ensure that it is effectively given and such notice shall be treated as received during the recipients' office hours. If such notice is sent outside the recipients' office hours it shall be treated as received during the recipients' next working day.

26. Entire Agreement and Priority of Terms

(a) The written terms of the Contract comprise the entire agreement between the Buyers and the Sellers in relation to the sale and purchase of the Marine Fuels and supersede all previous agreements whether oral or written between the Parties in relation thereto. No amendments to a Contract may be made unless agreed by both Parties in writing.

(b) Each of the Parties acknowledges that in entering into the Contract it has not relied on and shall have no right or remedy in respect of any statement, representation, assurance or warranty (whether or not made negligently) other than as is expressly set out in the Contract.

(c) Any terms implied into the Contract by any applicable statute or law are hereby excluded to the extent that such exclusion can legally be made. Nothing in this Clause shall limit or exclude any liability for fraud by any Party to the Contract.

(d) In the event of a conflict between any of the provisions of these General Terms and Conditions and the provisions of the Confirmation Note respectively, the provisions of the Confirmation Note shall prevail over these General Terms and Conditions to the extent of such conflict, but no further.
